

Dearly beloved,

I realize my recent behavior may seem “hateful” to some but my only desire has been to see the organization *follow its charter and bylaws*, and to secure the *God-given liberties* of its members from those who seek to control the work and conscience *via fear and coercion*, and moreover a *self-appointed “high council” or “voice of God”* to the people. A voice that amazingly seeks to *silence* those who teach God created *all things* (including the heavenly host) through Christ *in six literal days*, and rested the 7th day *as a memorial of the creation* of the heavens, the earth, and all the host of them just as the Bible reads. (Gen 1:1, 2:1-4)

I *very briefly* mentioned this from the sabbath pulpit at Smyrna a year ago in April right after the reorganizational meetings in March and Allen Stump said he was assailed by numerous people who believe the angels of God (and who knows what else!) were created BEFORE the creation outlined in Genesis, and that he too believed in a “creation before the creation” that is best explained as a “long ago and far away fairytale” because *no such thing* can be found in scripture. Men are free to believe that if they like, but I was accused of “trying to be a star” (logical fallacy) for teaching “new light” that really wasn’t very *new to me* except for some of the *finer details* that have become more clear, and also “a disciple of Augustine” (genetic fallacy/fear porn) because [“The City of God”](#) teaches angels were created on the first day as well so *out of courtesy* I edited *the TWO offensive slides* out and later published the video (its called [“religious liberty under siege”](#) and its *very relevant* in light of the *Roman censorship or cancellation* going on here!), but right after I preached that message Allen Stump wanted to have “a revote” for the 1889 HSDA officers because they somehow weren’t legitimate now. Interestingly enough, he didn’t mention *the trustees* being in question despite the fact *Todd Brown* wasn’t qualified per the 1889 HSDA Charter Article 7 that Allen Stump *personally helped draft!* FYI, “revotes” are common with these guys when things don’t go their way... *I immediately objected* to such an absurd idea and it was dropped, but its SUPER RELEVANT because *a month ago* I shared a message at “Seal of God International” (which is really “Exposing Truth Ministry”) entitled [“The Man of Sin”](#) that deals with the creation *and fall of Lucifer during the creation week*, and it “triggered” Allen Stump *to threaten me with fear and coercion* to “submit this teaching to the brethren” as is his *modus operandi* all the while HE IGNORES *the more important issues* plaguing the reorganization. Therefore *I cannot and will not remain silent anymore...*

For the record, I became *fully settled* that God created EVERYTHING in 6 literal days *almost immediately* after I accepted the 7th day sabbath as a memorial of the creation *15 years ago*. I just never considered where the angels fit into that picture *until many years later*, but when the question arose *I had an arsenal of information* regarding angels so it was a “no brainer” to me the angels of God or “third highest power” of heaven was created on the 1st day of the creation when God said through his Son “let there be light”... From what I can see men like *Doug Batchelor* and his blockbuster [“cosmic conflict”](#) video are the ones promoting “long ago and far away fairytales” in Adventism, but [those guys also teach a “mystery of mysteries”](#) too so its *par for the course!* The 1889 HSDA’s can’t risk teaching God created EVERYTHING in 6 literal days and rested the 7th day *as a memorial of the creation* because it may cause “too much

controversy” in their denomination. They prefer to make the 6 literal days of creation (FYI, all the other worlds were created *on day 4* not long ago and far away!) and 7th day memorial *completely insignificant* in the “big picture” of “multiple creations”. So that’s why it’s better “one man should die” and the whole 1889 HSDA denomination “perish not”...

It should be noted there is another 1889 HSDA member (Isaac “Jerry” Lewin, member of Seal of God International) teaching [Lucifer was kicked out of heaven AFTER day 6](#) in contradiction to the Bible/SOP which Allen Stump is in agreement with so he gets to publish his teachings *without molestation*, and interestingly enough *this same member* is drinking [David Clayton’s “original sin” koolaid](#) to boot! Mr Stump also wanted to go teach “education” apart from *a true knowledge of sin* with Isaac Lewin at [“Demario the prophets solemn assembly”](#) so maybe he’s *gone soft* on [those poor old Claytonites/Calvinists](#)... The record will show *I warned this body* of the ecumenism I saw going on “behind the scenes” in my opening speech to the annual council *before I resigned from chair* in October of last year, and *now* I’m here to warn you of the “good ol’ boys club” of phariseism/papalism these “wise men of Babylon” are selling as true “gospel order” and “reorganization”! You can thank me later...

Those who refuse to bow down *to their authority* will undoubtedly be accused of acting as “independent atoms” or “mavericks” but never forget “the sins of Babylon” WILL BE UNMASKED! Guaranteed. Don’t let these *poor actors* (pharisees/hypocrites) fool you into believing their “good ol’ boys club” is “God’s prescribed method” to finish the work otherwise you may begin to believe the voice of God and *even salvation itself* can only be found through the 1889 HSDA organization. I’ve never had a problem railing against *poor management* or *bad companies* in the workforce, and it’s a right *I simply refuse to concede* in ministry! I can only apologize *for not speaking up sooner*, and I can no longer stand “shoulder to shoulder” with those who “double down” on the fact they are *acting out of order* because they *love* to have it so! It saddens me that it has come to this, but it was good to go back through our experience to see how we arrived here, and regardless of what *anyone* thinks about *me personally* THE FACTS of the case are all that matter. So keep your *personal feelings and emotions* out of it, or risk being called “a snowflake” by a “mean and hateful religious bigot”! =)

ELECTION OF TRUSTEES:

*“The founding trustees of this organization shall. . . . have been **actively involved in the work of re-organization in the United States for more than two years and actively involved with international 1889 HSDA organizations for more than two years.** . . .”* 1889 HSDA Charter, Article 7

The 1889 HSDA organization has been operating *outside of its charter* from the very beginning by electing a *non-eligible candidate* for trustee. The fact Allen Stump allowed Todd Brown’s father, Mack Mcrillis who is also “father” of the Roan Mountain camp meeting *for David Clayton and his associates*, to have a say in *the 1889 HSDA reorganization* is “confusing” to say the least. It smells “super fishy” too and stinks to high heaven! Perhaps Todd Brown would have

better served the organization *as chairperson or secretary* instead of putting BOTH of these positions (despite her willingness sister Winnie Anderson wasn't very tech savvy so *most* of her secretarial duties fell to me) upon the shoulders of someone *like me* who left the workforce *due to compromised health*. I certainly could have declined, but then 2+ years of time would have been *completely wasted* and *my voice silenced* all because of a "big Mack sandwich" that "cold cut" me out of the deal! Served to me by none other than presiding chairperson and *co-author of the 1889 HSDA charter and bylaws* Mr Allen Stump himself who was later elected trustee/chair to the US 1889 HSDA's, *and* trustee/vice chair to the International HSDA's for good measure. Yeah, he's A REAL POPULAR GUY because he's A REAL SMOOTH TALKER with a large "fan base" *that blindly worships and defends him...*

Our chairperson simply should have recommended we elect *all three eligible trustees at once* for the sake of time and convenience *considering there were only three eligible candidates*, or at the very least informed Mack that *his nominations and input were completely irrelevant* due to his doctrinal position/associations alone, and then proceeded *to introduce myself* as the only other eligible candidate. I wonder what *Granny Anne Ford* would think of all this considering *she cut Mack and Sandy Mcrillis off* prior to her death [all because of a sermon Allen Stump gave](#), and *which we confirmed to her* was the right thing to do. He even let them [sing at her memorial](#) which I'm surprised didn't *wake her from the dead!* I'm quite certain she'd be ABSOLUTELY DISGUSTED at this BIG UGLY MESS staring us in the face... Not only did Allen Stump recognize Mack's nomination of *his own unqualified son*, but *he highly recommend Todd* for the position of trustee (after they stepped in the hallway for *a private discussion* after his nomination) despite the fact he was one of three people (Daniel Mesa, Robert Motsinger, Allen Stump) *who personally drafted the charter* that clearly *excluded Todd* from being considered for position of trustee. *Ironically*, trustees are to make sure the organization abides by *its charter and bylaws!* Again, this only promotes *confusion*, not gospel order. And yes, it stinks to high heaven! It's also worth noting my wife and I were THE ONLY ONES who protested revising bylaw 3.3 to suit the fancy of Lynnford Beachy and the Bickel's who wanted it to lean towards Nader's ["two mountain" heresy](#) that I called out *by name*, and who NEVER signed on. I guess we were being "too unloving" or "hateful" *as usual* because *everyone else* bowed a knee... Say what you want about me but I wasn't about to speak up *for my own rights* as founding trustee, or let my wife who was *more than willing* to speak up on my behalf, especially considering all of the SLANDERING of our character and motives done by the hand of "well meaning christians" some of which were in the same room. Look, if I have to *personally fight* for my position in the church then *its not worth it* to me! This is supposed to be CHURCH MINISTRY [not Survivor...](#)

I remained silent and held the chair seeking only to help direct the church as best I could despite these and other circumstances, but to be clear this GROSS ERROR was made known to Allen Stump not long after my resignation so the "status quo" is obviously good enough for him as he'd rather "brow beat" *me* with phariseeism and fanaticism *out of the church* rather than address *the real issues* that point to *his own defects of character and poor leadership skills*. His "right hand man" or vice chair Martin Barlow "doubled down" in our last meeting and said he'd re-elect Todd Brown in a heartbeat so I don't think the "good ol' boys" are even remotely interested in

true gospel order. So let's make sure we go after the guy who believes God created EVERYTHING in *6 literal days* just as the Bible reads, who uses "images of heavenly things" and "derogatory words" to the displeasure of *fanatical minds*, and perhaps *more importantly* who points out the 1889 HSDA's *nakedness and shame!* Folks, its clear your "fearless leader" or "emperor" is *wearing no clothes...*

7TH DAY MARANATHA CHURCH & CHARACTER ASSASSINATION:

Not only does Todd Brown *not qualify* for position of trustee but a year later he *still* hasn't signed on the 7th Day Maranatha church, and this church has been *a problem from the start* yet it has had A MAJOR VOICE in the reorganization. Its also worth noting he has NEVER ONCE attended an online church service with us despite the fact he wouldn't even have membership in the 1889 HSDA organization without holding it *in the online conference church* just like Ana Maria Woodward (1889 HSDA auditor) who likewise attends 7th Day Maranatha and is member of the online conference church but has NEVER ONCE attended an online service proving they have NO REAL INTEREST in *true reorganization*. Ana Maria even called me an "unconverted Peter" a few years ago for which she says she has apologized, but Todd Brown (head elder at 7th Day Maranatha) brought *the same prejudices* to the reorganization (a reorganization he had NO PART in for 2+ years prior!) as evidenced by his *strong and immediate opposition* to my recommendation the 1889 HSDA's create a video properly introducing themselves (its worth noting Todd had members of PHM/SDP attending his church at the time), and her daughter Raquel Akens (another member of 7th Day Maranatha) informed me in June 2022 that she had ought in her heart against me *for many years* because of my public statements and criticisms of PHM. So this means Raquel was present at the reorganizational meetings in March 2022 having this ought in her heart (can you say hypocrite?), and *my wife* was put in a position *by Allen Stump* to work alongside her *two years in a row* at camp meeting despite the fact our character and motives have been *grossly misrepresented* by people like the Akens. Yet we are *so full of hate*, right? Whatever! LOL! These guys wouldn't know *true love* if it rebuked them to their faces...

Just last year Andy and Christy Whitehurst were telling the 7th Day Maranatha people *in their group chat* not to go to the Smyrna camp meeting because Daniel Mesa and Robert Motsinger were heretics, and its *no secret* Thomas Akens works at PHM/SDCR creating *a major conflict of interest* with those "pure religionists" who are tightly gripping "Aaron's Rod". But hey, maybe you don't see anything wrong with Thomas (who *didn't* attend the March reorganization or June camp) and Raquel (who *did* attend the March reorganization and June camp) driving Sean and Dannah Sutton (Remnant Road Ministries) to PHM/SDCR headquarters *to discuss joining them* right after attending the reorganizational conference at Smyrna... Are we really THAT STUPID guys? This is yet another "club" you'll have to excuse me from! More recently David Sims published [an article from Thomas Akens in the The 1889 Review](#), and Allen Stump published [an article by Raquel Akens in Old Paths](#) clearly emphasizing this backdoor "family affair" given NEITHER ONE is a member of the 1889 HSDA organization so they are *clearly working both sides*. *The last thing* we should be doing is publishing their material...

Say, didn't Andy White go to Peru with Ana Maria and THEN end up working at PHM/SDCR afterwards? Sure did! I've always been DISGUSTED by the willingness of some to have a foot in PHM/SDCR and 1889 HSDA simultaneously, but that's just me! I'm weird like that... Hateful too! Just ask some of my enemies like *Martin Barlow* who was sure to confirm I'm full of hate at our last committee meeting (the Barlows and Browns used to go to the same church and *both are connected at the hip* to Allen Stump/Smyrna), but had he said that *the day earlier* he only proves my point that our character and motives have been misrepresented, and if not *he still proves my point* that he was only "triggered" because Allen Stump was on the "receiving end" of things and he was just "going to bat" for his good ol' buddy. Either way, I'M NOT A HATEFUL PERSON so some of you will have SOME SERIOUS EXPLAINING TO DO in the judgment...

"But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment. 37 For by thy words thou shalt be justified, and by thy words thou shalt be condemned." Matthew 12:36-37 KJV

1889 HSDA-USA VIRTUAL FELLOWSHIP:

*"Membership in the 1889 HSDA organization shall consist of **individuals who have no local church to join** and of **duly recognized churches** who meet the criteria of 3.2, 3.3, and 3.4." - 1889 HSDA Bylaw 3.1*

The organization is NOT following *its bylaws* either by having "multiple online churches" (Seal of God International online church, Smyrna online members) all the while attempting to delegitimize the "bastard child" or "online conference church" that is THE ONLY PROVISION made for those without a "local church". At the personal request of Allen Stump the online church has been voted in TWICE as a member church in an effort to somehow *delegitimize it* as the "only" online church, and it has been *repeatedly harassed* over "changing the name" (1889 HSDA-USA Virtual Fellowship) for fear of "confusion with the other online churches" by the same "fearless leader" who is quoted as saying the 1889 HSDA name is a name he's "willing to die for", and one that he wouldn't mind "trademarking" (for protection of course!) if he can *sway enough votes* as it has been brought up *more than once*. Maybe he'll even lead the charge to trademark the "trumpet logo" that highlights the "heavenly images" fanaticism *David Sims and Allen Stump seek to impose on the entire body!* To be clear, the folks at "Seal of God International" were originally supposed to join the online conference church but then opted to form their own "local church" that I later discovered *after my resignation* was composed of mostly remote members. Sorry, that's NOT the way it was supposed to work guys! Likewise, Smyrna Sabbath Chapel has "online church members" as well but again there is NO PROVISION for *multiple online churches*. That's why our family, Dr Waite, Brian Thomas, and others were *immediately* made members of the "online conference church". Why the folks at SOGI didn't just *sign on with us*, and why Smyrna *started adding select online members* is something *they* have to answer for, *not me!* THE WHOLE PURPOSE of creating an "online conference church" was to provide those without a local church an official "digital body" to "press together" and unite their gifts and talents.

I can assure you this “bastard child” or 1889 HSDA-USA Virtual Fellowship is THE ONLY THING that has kept my family from leaving the organization *before now*, and clearly *I’m the main reason* for its bastardization. Unlike the scribes and pharisees *who misrepresent our character and motives* these people know us to be *loving and lovable christians*... I honestly think we've been “good sports” for playing along with *the actors* as long as we have, but enough is enough already! It's only by Gods grace I held chair as long as I did, and then continued “playing church with the big boys” despite this fundamental and ever-growing “train wreck” being conducted by Allen Stump, David Sims, and the herd of blind sheep following them! Have you ever *stepped into something* not realizing what it was *before* it was too late? I can assure you this BIG MESS stinks to high heaven and we can can't get away from it fast enough! As such, we (Robert, Brooke, and Colton Motsinger) have *no choice* but to withdraw our membership and influence from the 1889 HSDA reorganization, and *to warn others* so they don't fall into *the same trap*. Such has been our work since we left the Sunday churches... the GCSDA churches... the SDR churches... *and now* the 1889 HSDA churches...

INTERNATIONAL DOG AND PONY SHOW:

“Dog and pony show is a colloquial term which has come to mean a highly promoted, often over-staged performance, presentation, or event designed to sway or convince opinion for political, or less often, commercial ends.” - Wikipedia, Dog and Pony Show

The international “dog and pony show” was a real eye opener for me! At the first meeting I immediately questioned the thought of *creating another legal body* (charter, bylaws, EIN#, bank account, officers, etc) which constitutes an international “high council” *to govern the worldwide work* as it should have been a simple “meet and greet” of the representatives. At the second meeting I questioned *the same men* holding such important positions (trustees/officers) in their local organizations as well as internationally. There was NO AGENDA given to us at either meeting, and we literally WASTED HOURS of time on needless translation/reading of documents that should have been done PRIOR to the meetings. Of course my concerns were glossed over as a big fat “nothing burger” because as we all know “the dog and pony show must go on”... Yet our numbers are FAR TOO SMALL to even consider this unless your goal is *to control the work on a global scale and make more pharisees* who are “twice the sons of hell” you are, but I’m pretty sure the “pure religionists” at PHM/SDCR already cornered the market on that one, and they aren't interested in sharing! The STAR of the show (David Sims) relinquished the chair *immediately after his election* calling upon his “right hand man” Allen Stump to take over due to concerns of “bad internet”, yet amazingly or perhaps “supernaturally” his internet connection REMAINED STRONG *throughout the entire meeting* as he HAND PICKED his “high council” that is to be “the voice of God” to all of the churches worldwide. I declined nomination for vice chair from brother Olivier choosing to nominate brother Olivier instead considering he's a young man with zeal for the truth (new blood) which prompted Allen Stump to withdraw his name for consideration *for half a second* until David Sims convinced him that “his voice” was “the voice of God” telling him to throw his name back into the hat. Pretty sure all I heard was *the voice of David Sims* and *sheep bellowing* in the background...

Allen Stump easily “stumped” Olivier for vice chair, but after Olivier was nominated and received the most votes for secretary David Sims started cutting Olivier down by *planting seeds of doubt* in everyones mind about Oliviers ability to perform the duties of vice chair (even as Allen Stump began questioning *my trustworthiness* leading to my resignation to speak at the May camp meeting) until Mr Vice Chair (Allen Stump) recommended a “run off election” or “revote” of the two highest votes until we got the candidate *David Sims was happy with*. I immediately called this out, and David Sims switched his vote to Olivier *only to save face!* Can I get another “revote” please!?! LOL! And we call this “gospel order” and “true organization”, right? Whatever! Its a “dog and pony show” if there ever was one... For the record, there wasn’t even ONE MEMBER who contacted me afterwards to ask why I was so opposed to the proceedings of the last meeting. Not one. Likewise, *none from Smyrna* have contacted us to ask why we stopped attending their online meetings *several weeks ago* despite the fact we have been attending there pretty much every Wednesday and Sabbath since 2017, and have been working closely together in the reorganization for 3+ years. Everyone is clearly in “damage control mode” just like the folks at PHM/SDCR when they got triggered after I started rocking *their little boat*. All I can say is have fun playing church without us because we have *much better* things to do with our time...

CLOSING THOUGHTS:

Much more *could* be said, but the bottom line is *the very same demonic spirit* that seeks to *manipulate* and *control* the work of God is present at PHM/SDCR and 1889 HSDA. All of these men are running around like “the first great snowflake” with their “backdoor deals” and “mostly peaceful protests” as they rally their troops *behind themselves* while striving for the mastery over their brethren, but in the end they are “running a race” that ALL BECOME LOSERS. There is no “immunity idol” in this special edition “Survivor: Pharisee Island”...

FYI, there are people within the 1889 HSDA (David Sims per Allen Stump, and others too) who believe in a “super Jesus” (gnostic dualism) or a Christ that took upon himself *his own inherent divinity* (whether he used it or not is irrelevant!) which is nothing more than *the other side* of “the original sin coin” that teaches Christ didn’t *really* take upon himself fallen humanity in order to become “a partaker” of the divine nature *like every other human being* born in sinful flesh. Mr Stump has found a *place in his heart* to work with these dear folks that may cause *David Clayton* to accuse him of “respecting persons” if word gets out! There are others who believe in a “floaty or disembodied Jesus” (spiritualism) that is literally an “unseen presence” (an essence that pervades all nature or “god the holy spirit” wearing a “Jesus mask”) even using Allen Stumps book *The Foundation of our Faith* page 144 that states; “*Gods spirit... is not restricted to physical form... Gods inner spirit can conscientiously dwell apart from his physical form.*” (see also page 151) so we are okay *with that too* despite the fact EVERY SINGLE TRINITARIAN can accuse him of “respecting persons” just the same! But if someone uses “heavenly images” such as the angels (which are in the sanctuary!) or the new Jerusalem (which isn’t idolatry either!) then he’ll *rip the seal of God out of your forehead*, or if someone believes that God created EVERYTHING in 6 literal days then he’ll *cancel you* in one fell swoop of the “wisdom of the brethren”. There is something *terribly wrong* with this picture folks!

I remember a certain officer (Martin Barlow) gladly accepting the position of vice chair as long as he “didn't have to do anything” so that's what kind of *leadership* you have to keep guys like Allen Stump in-check! They are “yes men” who only know how to follow orders... I'm sad to say I've personally witnessed highly respected “men of God” practice *deceit and fraud* for the sake of gain. I've seen them *strain at a gnat* as they *swallow a camel*! Men who absolutely LOVE having their “good works” seen and known by all... Its absolutely disgusting! The one thing I've learned about pharisees is they are all about *saving face*, and making things look good *on the outside*. Yet I can assure you “every secret thing” will be revealed in the judgment, and THAT is where I find true comfort and peace in this world of injustice.

“Between truth and error there is an irrepressible conflict. To uphold and defend the one is to attack and overthrow the other. Our Saviour himself declared, “I came not to send peace, but a sword.” [Matthew 10:34.] Said Luther, a few years after the opening of the Reformation, “God does not conduct, but drives me forward. I am not master of my own actions. I would gladly live in repose, but I am thrown into the midst of tumults and revolutions. The reformer had bitter accusers to meet. Some charged him with acting hastily and from impulse. Others accused him of presumption, declaring that he was not directed of God, but was acting from pride and forwardness. “Who does not know,” he responded, “that one can seldom advance a new idea without having some appearance of pride, and without being accused of exciting quarrels? Why were Christ and all the martyrs put to death?—Because they appeared proud despisers of the wisdom of the times in which they lived, and because they brought forward new truths without having first consulted the oracles of the old opinions. . . . Again he declared: “What I am doing will not be effected by the prudence of man, but by the counsel of God. If the work be of God, who shall stop it? If it be not, who shall forward it? Not my will, not theirs, not ours, but thy will, holy Father who art in Heaven! To the reproaches of his enemies, who taunted him with the weakness of his cause, Luther answered: “Who knows if God has not chosen and called me to perform this needed work, and if these babblers ought not to fear that by despising me, they despise God himself? They say I am alone; no, for Jehovah is with me. In their sense, Moses was alone at the departure from Egypt; Elijah was alone in the reign of King Ahab; Isaiah was alone in Jerusalem; Ezekiel was alone in Babylon. Hear this, O Rome: God never selected as a prophet either the high priest or any great personage; but rather, he chose low and despised men, once even the shepherd Amos. In every age the saints have been compelled to rebuke kings, princes, recreant priests, and wise men at the peril of their lives.” “I do not say that I also am a prophet; but I do say that they ought to fear precisely because I am alone, while on the side of the oppressor are numbers, caste, wealth, and mocking letters. Yes, I am alone; but I stand serene, because side by side with me is the Word of God; and with all their boasted numbers, this, the greatest of powers, is not with them.” GC88 126.3, 130,2, 131.1, 142.2
